Updated 2-Story Home in Terra Vista

See the virtual tour and details at www.HomeTour33.com

Listed at \$545,000

Enjoy mountain views from this updated 2-story home located on a quiet cul-de-sac in Terra Vista. This 3,222 sq ft home has 4 bedrooms, 4 bathrooms with a family room, living room, study/den and large rec room for the entire family. You'll enjoy all the recent updates including new slate kitchen appliances, new Stainmaster carpet, new roof and new paint. Get a well-deserved rest in the master bedroom suite with large walk-in closet. The remodeled master bathroom has granite countertops and European shower doors. A gas fireplace in the family room keeps you warm while the newer central air conditioning keeps you cool when it gets hot. The 3-car tandem garage is spacious enough to fit a workshop. The large fenced yard is equipped with sprinkler system and has a storage shed in addition to the extra storage room in the basement. Have fun at nearby parks and take advantage of all the activities and facilities of the Foothills Park & Recreation District.
