Updated 2-Story Home in Jackson Creek See the virtual tour and details at www.HomeTour88.com **Listed at \$365,000**

Updated two story home in The Heights at Jackson Creek subdivision featuring 4 bedrooms, 4 bathrooms, and 2871 finished sq/ft. The open concept main floor is breathtaking with cathedral ceilings, gas fireplace, and large windows that provide an abundance of natural light and amazing mountain views. Kitchen is updated including granite counter tops, tiled backsplash, stainless steel appliances, hardwood floors and a butler's pantry. Enjoy the master bedroom suite with a large double sink vanity and walk-in closet. The finished walk-out basement provides additional living space with a built-in bar for entertaining. Outside features include a deck, firepit, raised garden beds, mature trees, lush grass, sprinkler system and an invisible fence around the entire lot. The home is within walking distance to several neighborhood parks and walking paths. It is just a short drive to Hwy 25 which provides quick access to Colorado Springs and Downtown Denver.
